www.liquidsmoke.fr.st

An Unique Mix of different woods : Hickory , Maple , Beech , or Oak flavours

(KOSHER & GMO FREE)

Hydrosoluble liquid smoke

Liposoluble Liquid Smoke (or Smoke Oil)

Smoke powders for smoke salts

NEW : **AFS LMC, a "weak" liquid smoke with anti-microbiological properties .**

www.listeria.fr.st

Applications :

- **Direct application for flavouring** (BBQ sauces, seasonings, snacks, pizza dough
- **Drenching or atomization of liquid smoke , replacing traditional smoking from fire** (Hot-dogs, ham, bacon, turkey breast, delicatessen, cheese, seafoods, etc.)

VERY HIGH STABILITY VEGETABLE OILS :
(G.M.O. free & Kosher)

Natural High Stability Vegetable oils prevent oxidation, soapy off-flavors / taste resulting from hydrolysis, and saponification. Increases shelf life of finished products. Bland flavor. High degree of compatibility with other non-lauric oils. Many advantages and recipes .

Product range : **AmCarex 600, AmCasun 500, AmCasun AS 100 , Famous B, Famous B/L.**
New line of organic vegetable oils and fats (AmcaBiol)

Applications:

Lipidic addition / Coating Agent / Moisture migration protection
Frying Oil (high smoke point) / Demolding (release) / Lubricant Agent (as panoil)

Anti-dusting and anti-caking agent(free flow / Instant)
Carrier agent for flavours (in dilution)
